

Victory Packaging / Golden State Container Announce New Website Launch

HOUSTON (November 11, 2014) - Victory Packaging, which operates under Golden State Container in California, is proud to announce the launch of its newly redesigned websites – www.victorypackaging.com and www.goldenstatecontainer.com.

The new websites showcase the Company's packaging and logistic solutions for a range of industries including manufacturing, distribution, food and beverage, retail and transportation/moving and storage.

Some of the website's design features include new content, updated graphics, a large-scale photo slider to highlight products and services, a more appealing and prominent navigation bar and a responsive user interface.

The website was programmed to be responsive with a layout that adapts to viewing device and screen size. This greatly improves the user's experience as it changes the website's appearance to be compatible with both mobile and desktop computers, allowing for an uninterrupted experience where users can easily navigate through the website and identify relevant information. To better serve customers, the sites also feature bilingual website design and are available as English or Spanish versions.
